To: N.C. Cooperative Extension Employees
Date: May 22, 2015
Subject: First Area Specialized Agent (ASA) position posted

Extension colleagues,

We are pleased to announce that the first of our Area Specialized Agent (ASA) positions under the NC Cooperative Extension Service Vision and Strategic Plan is now posted and ready to receive applicants.

The search for filling the Poultry Area Specialized Agent position serving the Eastern portion of the state is now under way.

Please go to and/or forward the following website to see the job description and apply:
<http://jobs.ncsu.edu/postings/52727>.

View links to the coverage map for the Poultry ASA and all of the forthcoming ASA positions:
www.ces.ncsu.edu/area-specialized-agents-county-coverage-areas.

As you recall, strengthening the campus-county relationship is a prominent component of our new plan and vision. To that end, please note that job description for each of the ASAs was developed by representatives of both the academic department and county operations, and the search committees for all ASA positions will consist of representatives from both the academic department and county operations.

Additional ASA positions will be coming out over the next two weeks, including Grain Crops; Forestry; Horticulture - Commercial Greenhouse and Nursery; and Horticulture - Fruits and Vegetables.

You may "subscribe" to the NCCE Jobs email that will automatically update you about these and all new NCCE job postings. Go to www.ces.ncsu.edu/jobs and enter your email address at the bottom of the page to subscribe.

These will be amazing opportunities for our internal employees. We ask that you consider applying and/or pass along the information to qualified and interested internal or external persons you may know.

Respectfully,

Sheri Schwab, Tom Melton, Mike Yoder & Joe Zublena
