Campus Box 7602  
120 Patterson Hall  
Raleigh, NC 27695-7602  
P: 919.515.2813

To: N.C. Cooperative Extension Employees  
Date: July 6, 2015  
Subject: New Northeast District Extension Employees

Dear Extension colleagues,

The Northeast District welcomes two new team members to the organization.

Welcome to the new Bertie/Martin FCS Agent, Whitney Watson. Whitney has been an FCS teacher in both Pitt and Bertie County Schools. She attended East Carolina University, majoring in Family and Community Services. She also has a master's degree in education management.

Extension also welcomes back Helen Eure as the new Gates County Extension Director. Helen was a former FCS agent in Gates County from 1995 to 2005. She departed to become the child nutrition director for Hertford County Schools from 2005 to 2015. She received her bachelor's degree from Appalachian State University and her master's from NC State University in agriculture and Extension education.

Both began their duties effective today, July 6, 2015. Congratulations and welcome to the Extension family!

All the best,

A handwritten signature in black ink that reads "Travis Burke".

Dr. Travis Burke  
Interim Director, N.C. Cooperative Extension Service  
NC State University
