Onslow County

County/Worksite Location: Onslow County Cooperative Extension

Proposal/Program Area: Horticulture/Landscape Design

Project Title: Discovery Gardens Intern

Immediate/ Site Supervisor: Lisa Rayburn

Other mentors/supervisors:

1

Peggie Garner

2

Emilee Morrison

Project summary and intended outcomes:

Intern will assist agent, program assistant and Master Gardener Volunteers in the installation, cataloguing, and labelling of plants in the Discovery Gardens. The intended outcome is installation of landscape design in expanded areas of the Discovery Gardens
<http://www.onslowcountync.gov/1285/Discovery-Gardens-Ribbon-Cutting>.

What qualifications and previous coursework does the student need in order to be prepared for this internship, if any?

A background in landscape design and/or horticulture would be great but not required.

What benefits/skills will the student gain through this internship?

Intern will learn project management, landscape installation, logistics and volunteer management skills.
