

Lenoir County Extension Intern

Location: Lenoir County

Program Area: FCS

Project Title: Nutrition Education Camps and Classes

Immediate/Site Supervisor: Kelly Tyndall

Other mentors/supervisors: Tammy Kelly

Position

Description/Responsibilities:

Our staff will provide the student intern the opportunity to show evidence of planning, organizing and leading specific nutrition education programs. They will work primarily with youth, but some adult learners as well.

Programs delivered will include, but will not be limited to, Color Me Healthy, Take Control and Med Instead of Meds.

Preferred

qualifications/previous coursework:

- Knowledge of nutrition & child development
- Creativity
- Passion for working with the community

Benefits/skills student will gain:

- Gain knowledge and develop confidence in making good decisions when presenting research-based education information
- Develop collaborative skills by working with multiple diverse groups
- Implement community resources
