Chowan County Extension Intern

Location: Chowan County

Program Area: 4-H Youth Development, Agriculture and Natural Resources, Family and Consumer Sciences

Immediate/Site Supervisor: Mary Morris

Other mentors/supervisors: Camaryn Byrum, Katy Shook, Matt Leary, Patty Bowers, Nettie Baugher, Stevel Gabel

Position

Description/Responsibilities:

Interns at the Chowan County office will help with each of the program areas. During the internship time frame, Extension Agents have many programs going on: Chowan Livestock Show, 4-H Embryology, Test Plot Planting, Master Gardener Grow To Eat Program. Interns receive a wide array of experience in program planning, evaluation, marketing, and implementation.

Additional Information:

Interns need to be flexible enough to go to different locations as needed, some work will be outside and you will get dirty.

Preferred qualifications/previous coursework:

- Organized
- Self-starter,
- Positive attitude
- Flexible
- Extension related courses that may include: Agriculture and Life Sciences, Horticulture, Youth Development, Family and Consumer Science.

Benefits/skills student will gain through this internship:

- Real-life work experience
- Working together with colleagues
- Communication skills
- Partnering with outside organizations
- Program planning
- Implementation
