## Cumberland County Extension Intern

**Location:** Cumberland County

**Program Area:** 4-H Youth Development

**Immediate/Site Supervisor:** Lisa Childers

**Other mentors/supervisors:** Jessica Drake

### **Position Description/Responsibilities:**

Work with 4-H agent to conduct educational programming at various summer camp sites.

Participate in farm visits with Extension staff.

Works with Extension Agents and program and office staff to coordinate and implement hands-on, educational program events and activities.

Participates in meetings where local issues are identified and prioritized, and program results and plans are discussed.

Assists in preparations for planned events and activities by gathering information, assembling materials, contacting participants, and soliciting support from external sources.

As appropriate, conducts the teaching, training, or other program presentations.

Seeks information from mentors and colleagues regarding the history, purpose and mission of North Carolina Cooperative Extension.

In some cases, the intern may identify and develop a value-added process, program, or training tool that may be implemented within the hosting unit's current operations. This contribution should provide a substantial addition to the intern's resume as practical and applicable work experience.

### **Preferred qualifications/previous coursework:**

- Previous work with youth preferred
- Must have a strong interest of learning more of agriculture, youth development, and family consumer science
- An understanding of professionalism, strong work-ethic, and willingness to learn is a necessity
- This internship will provide an extensive hands-on experience in all areas of Extension

### **Benefits/skills student will gain through this internship:**

- Interns will gain experience in all areas of Extension with a primary focus of youth development
- The chosen applicant will take part in the planning, training, and implementation of youth programs in a variety of settings
- Interns will also have the opportunity to connect and network with other Extension and community members
