

Richmond County Extension Intern

Location: Richmond County

Program Area: 4-H Youth Development, Agriculture and Natural Resources

Immediate/Site Supervisor: Paige Burns

Other mentors/supervisors: Catherine Shelley, Annie Freeman

Position

Description/Responsibilities:

Assist agents with programming, in particular the 4-H agent with Summer Fun camps, including sewing camp, transporting day campers to Camp Millstone, and campers working with a demonstration farm site in the county.

Benefits/skills student will gain through this internship:

- Will have a diverse experience, including working with youth, gardens, and food systems
- Will be traveling with camps to different places in the state
- Behind the scenes of how our food system works

Preferred qualifications/previous coursework:

- Able to pass a background check in order to work with 4-Hers
- Enjoy working with kids, be outdoors, engage in physical activities
- Should also have a commitment to healthy eating and environmental stewardship in order to support the programs that are being developed in the county
- Would also prefer an intern who is proficient in Microsoft Office, although they will not be doing a lot of office type work
- Should be self-starters, proactive and engaged in helping with tasks needing to be done
