Davie County Extension Intern

Location: Davie County

Program Area: 4-H Youth Development, Agriculture and Natural Resources, Family and Consumer Sciences, Community and Rural Development

Immediate/Site Supervisor: Colleen Church

Other Mentors and Supervisors: Susan Hawkins, Danny Lough

Position

Description/Responsibilities:

The intern will support the 4-H agent in delivering the Summer Fun program, which includes wildlife and environmental education, STEAM, farm to table, and life skill activities.

In addition, they will assist the Horticulture Agent and Extension Master Gardener Volunteers in teaching adult gardening classes at the community garden and leading annual Jr. Master Gardener Camp.

The intern will attend field visits with the crops, livestock and horticulture agents.

Finally, the intern will assist the County Extension Director in implementing a new mobile farmers market and delivering health and nutrition education to consumers.

Preferred qualifications/previous coursework:

- Positive attitude
- Strong work ethic
- Good written and oral communication skills
- Enthusiasm for learning

Benefits/skills student will gain through this internship:

- Shadow and work with all agents;
- Plan, market and implement a youth or adult educational program suitable for their background and strengths;
- Work with youth, farmers and volunteers; and
- Gain knowledge and experience in all aspects of Extension programming.

Additional Information

In light of Covid-19, more programs will be moved to outdoor locations this year to facilitate in-person learning opportunities, while adhering to state and local guidelines.
