

## Davie County Extension Intern

**Location:** Davie County

**Program Area:** 4-H Youth Development, Agriculture and Natural Resources, Family and Consumer Sciences

**Immediate/Site Supervisor:** Colleen Church

**Other Mentors and Supervisors:** Susan Hawkins, Danny Lough

### **Position Description/Responsibilities:**

The intern will support the 4-H agent in delivering the Summer Fun program, which includes wildlife and environmental education, STEAM, farm to table and life skill activities.

In addition, they will assist the Horticulture Agent and EMGVS in teaching adult gardening classes at the community garden and leading the annual, week long Jr. Master Gardener Camp.

The intern will attend field visits with the crops, livestock and horticulture agents.

Finally, the intern will assist the CED in promoting the Visit NC Farms App and implementing nutrition and local foods based outreach in partnership with local farmers markets.

### **Preferred qualifications/previous coursework:**

Positive attitude, strong work ethic, dependable, good written and oral communication skills, enthusiasm for learning and working with others.

### **Benefits/skills student will gain through this internship:**

The intern will have the opportunity to shadow and work with all agents; plan, market, implement and evaluate a youth or adult educational program suitable for their background and strengths; work with youth, farmers and volunteers; and gain knowledge and experience in all aspects of Extension programming.

### **Additional Information**

We safely and successfully implemented a full, in-person Summer Fun program in 2021 and plan to do so again in 2022. We are currently and plan to remain open to the public and fully operational.
