

## Beaufort County Extension Intern

**Location:** Beaufort County

**Program Area:** 4-H Youth Development

**Immediate/Site Supervisor:** Chasady Wudkwuch

**Other Mentors and Supervisors:** Louise Hinsley, Family & Consumer Science Agent. Rod Gurganus, CED & Agriculture Agent. Gene Fox, Horticulture Agent. Sam Jefferson, Administrative Assistant. Morgan Cherry, County Operations Support Specialist.

### Position Description/Responsibilities:

The 4-H intern will assist the 4-H Agent in facilitating youth programs (primarily summer fun day camps) and will be responsible for presenting a positive image of 4-H and its programs to the community, volunteers, parents, and youth.

- Increase knowledge of extension
- Gain confidence in facilitating programs for various audiences.
- Learn how to conduct hands-on educational activities for youth.
- Create, implement, and evaluate hands-on activities for youth and families relating to environmental education, gardening, healthy living, cooking, etc.
- Compose articles, success stories, and marketing materials for 4-H.

### Preferred qualifications/previous coursework:

- Enjoy working with all audiences including youth and volunteers.
- Possess good communication skills - both written and oral, have an outgoing personality, and be responsible.
- Consent to a criminal and traffic background check.
- Able to work independently.

### Benefits/skills student will gain through this internship:

This intern will gain skills in marketing, program development and implementation, evaluation, and reporting.

### Additional Information

It will be a busy, fun filled summer especially if intern likes working outdoors with children. A lot of the Beaufort County 4-H summer fun programming is geared toward environmental education. The 4-H Agent will work with the intern to come up with projects that help to meet their needs and develop skills they would like to improve.
