

Chowan County Extension Intern

Location: Chowan County

Program Area: 4-H Youth Development, Agriculture and Natural Resources, Family and Consumer Sciences, Community and Rural Development

Immediate/Site Supervisor: Mary Morris

Other Mentors and Supervisors: Katy Shook, Camaryn Byrum, Sarah Richardson

Position

Description/Responsibilities:

All Extension Programs offered through the Chowan County Program.

During the Internship time, programs that will be offered will be:

- 4-H Embryology
- 4-H Summer Programs
- Servsafe
- Master Gardener events
- Residential Horticulture Agriculture
- Commercial Horticulture field calls

Interns are expected to ride along and participate with Extension Agents in the field and help with program planning, implementation, and evaluation.

Preferred qualifications/previous coursework:

- Any coursework related to 4-H, Youth Development, Agriculture, Horticulture, Health and Nutrition, Food Safety, or Aquaculture.

Benefits/skills student will gain through this internship:

- Gain overall knowledge of NC Cooperative Extension and programs that are offered through the Chowan County Center.
- Gain real-life experience working within a real office setting and hands-on experience with Extension programs.

Additional Information

Looking for a positive self-starting person that is willing to go out in the field and work side by side with Extension Agents.
