

## Transylvania County Extension Intern

**Location:** Transylvania County

**Program Area:** 4-H Youth Development, Family and Consumer Sciences

**Immediate/Site Supervisor:** Addison Bradley, CED

**Other Mentors and Supervisors:** Sarah Holden, 4-H Agent; Erin Massey, FCS Agent

### Position

#### Description/Responsibilities:

The intern will assist the FCS Agent and 4-H Agent with various programming ventures, including 4-H Summer Fun.

4-H Summer Fun consists of a week of activities such as cooking with children, STEM programs, and agricultural-based projects.

The intern will also create and implement nutrition-based programming at the Farmer's Market.

There may also be a few instances of the intern assisting with livestock and horticulture programming.

### Preferred qualifications/previous coursework:

- Youth development
- Agriculture education
- Nutrition

### Benefits/skills student will gain through this internship:

The intern will learn about Extension as a whole and the impacts of Extension in Transylvania County.

Intern will also create, develop, and implement programming.

### Additional Information

This is a very fluid internship and requires someone with self-motivation and time management skills.
